Trivia 4 Trees (event) [return to Reports list](#)

Fri Apr 11, 2014

Leader: **William Wright**

Co-Leader: **Marie Maccagno**

Hats off to the swell effort put forth by my Mountain Matter Mates! The team having 2 previous trivia challenges to their credit, found thrice the charm was just the right lucky touch to put them on the podium.

A very exciting & thrilling night was witnessed in Cumberland with 20 teams vying for cerebral supremacy in the semi-annual Community Forest Society Trivia Match.

After 3 hours & 3 rounds, 4 teams, including our CDMC contingent, were all dead-even at the top and were forced to settle matters with a sudden-death round.

Eventually, Mountain Matter emerged victorious after 3 very closely contested overtime periods. A fabulous all around contribution by our team and just saying thank you is understating their enthusiasm!

It was a most fun time and although there were moments where democracy allowed wrong answers to trump right ones, the team held together to eventually collect best booty haul!

A terrific evening and a great way to help out the CCFS!!

Comments:

They say that things improve with age and obviously in this case it has proved to be true. Congratulations to the team and their captain for such a stellar performance.

Tim
