Celebration Of Valerie Spentzos (event) [return to Reports list](#)

Fri Apr 20, 2012

Leader: **William Wright**

Co-Leader:

I great day with Val's family and friends, remembering what a tremendous contribution that Valerie made in her life - it was a wonderful experience and her mountain mates much enjoyed the beautiful morning, one in which I personally learned much about Valerie that I hadn't previously known.

One of the moments that quite captured me was the fabulous slide show which her family treated us to - lovely shots of Val's life, especially those involving her great love of the outdoors.

I've made a request to the family, if it's possible, to provide a few of these shots so that they can be shared with the CDMC.

Thanks to all the members who helped make this a fine day - I'm sure Val would have approved of this celebration of her life!
