Trip Report

Ripple Rock Trail (hiking)

[return to Reports list](#)

Sun Apr 21, 2013

 Leader: **Denise Allard**

Co-Leader:

We were 31, members and non members, who could not resist the call of hiking the Ripple Rock trail on such a beautiful sunny day. Wild flowers, Spring in the air, vibrant greens surrounding us, we were joyous and happy to be together.

We ended the day by searching for the elusive ice cream stand in Campbell River, and some of us settled for hot drinks at Starbucks. It was a very pleasant outcome for a first time leader and thanks to my reliable co-leader, BevKulak.

Just hanging around. Help!!!
