Hawaiian Holiday (event) [return to Reports list](#)

Fri Apr 27, 2012

Leader: **William Wright**

Co-Leader:

CDMC kicked off their 2012 social calendar with a fine evening shared by both members, family, friends and Creekside residents.

Thanks to Creekside for providing us with their venue and as well, Tim, our adept media go-to-guy.

The evening kicked off, to a full house, with a 2 part slide show depicting the grandeur of the Hawaiian Islands and some of the adventures that I experienced while spending a month there, earlier this year.

We enjoyed a short intermission that was then followed by the movie "The Descendants", shot entirely in this sub-tropical paradise.

The event went well and a swell time was enjoyed - thanks to all those who helped make this social such a success.
