Trip Report

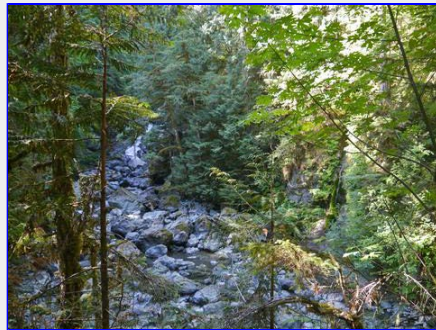

Rosewall Creek Nature Hike (hiking) [return to Reports list](#)

Sun Aug 16, 2015

Leader: **Krista Kaptein**Co-Leader: **Susan Osso**

A nice short walk in the woods enjoyed by members & guests. Water levels are very low... but this allowed a bit of walking on the creek bed to test whether boots were waterproof (mine are - yay!)

Some nature info on this area here: <http://comoxvalleynaturalist.bc.ca/nature-viewing-guide/8-baynes-sound-area/rosewall-creek/>

Can you see 2 waterfalls in this photo??
