## Trip Report

**Cruickshank Canyon Day Hike** (hiking)

[return to Reports list](#)

Sat Aug 22, 2015

 Leader: **Amber Gargus**

 Co-Leader: **Susan Osso**

The day started out with carpooling and meeting at the trailhead for 8:45am. The parking lot was already full by the time we arrived. Popular place! Once we had signed in and had our trailhead meeting we were off by 9:10am.

The morning was cool with some cloud cover which all hikers enjoyed. After a few rest stops we where at the canyon lookout by 12:15pm. We had a 40 min break and continued the loop back from Kwai Lake.

The afternoon was hot with little clouds and a slight breeze. We noticed that there were a lot more backpackers coming in around 3pm... I think we passed 15 + hikers with stuffed packs heading up past Battleship Lake. Plus, the day hikers increased as well. We arrived back to the parking lot around 4pm. It definitely was a great day to be in the park.

Thanks to all that came out and joined myself and Susan and thanks to Susan for co-leading this one. Hope to see you all on another trip out.
