Trip Report

Battleship Lake Ridge (snowshoeing) [return to Reports list](#)

Wed Dec 15, 2010

 Leader: **William Wright**

Co-Leader:

Lovely Wednesday shoe across Battleship Ridge onto Battleship Lake and out to the island at the north end of the lake for our turn around. Nice group of participants including a couple of folks checking us out. Pictures depict our snowy day with some flurries and lots of new stuff on the ground - Thanks to Don for capturing the essence of our day and for Pam getting them to the report on time! The 3 hr trek was finished off with lunch in the Raven Lodge along with hot brews - Hoping all enjoyed as much as I did and a swell way to welcome in the Holiday Season. Merry Xmas.
