Full Moon Snowshoe. Strathcona Park (snowshoeing)

[return to Reports list](#)

Mon Feb 22, 2016

Leader: **Glenn Ord**

Co-Leader: **Amber Gargus**

WOW!!! What an amazing experience. A lucky 15 snowshoeing hikers met at the car pool meeting spot, divided up into cars and headed up to Raven's Lodge. Once there we geared up, had our headlamps on and had our Trailhead Meeting.

We headed out with great excitement to experience the Full Moon out at Battleship Lake. It didn't take us that long to get there and when we did, WOW! A beautiful sight to see. There was low lying fog that made the lighting mysterious and hard to get pictures.

Once we posed for a picture or two for Tim the group headed off to the other end of the lake. A few hikers found a hill that gave us great shadows so we asked for another picture there. Then out came the surprises! We had fireworks and paper bag luminaries. Everyone was excited to be part of this wonderful experience.

Then came time to head back which we did without incident. Thanks to Glenn for organizing the hike and Tim for being the photographer. We all had a wonderful time.
