## Trip Report

**Cumberland Trails** (hiking)

[return to Reports list](#)

Fri Feb 27, 2015

 Leader: **Glen Christensen**

Co-Leader:

A nice hike through the hills near Cumberland. We traveled 10km, most of which was either going up or down, and finished 4 hours after we started. At the start a large group of grade 8 students were heading in the same direction so we made a quick detour to another trail! The weather was very pleasant and so was the company.
