Port Alberni Log Train Trail (hiking) [return to Reports list](#)

Sun Jun 26, 2011

Leader: **Sandra Crawford**

Co-Leader:

With 11 members meeting at the Court House, we were off, to the start of the Port Alberni Log Train Trail. We started at around 8:50 am, heading north, in the sunshine. In a short time, we were watching some of the motorcross racing held at the track, which "sits" just about on the trail !!. A short detour to see the waterfall, and back out. Going thru some residential housing on the street, we were back on the trail. We had lunch and a good break at a small but beautiful little lake. On the way back, we detoured into the old Maclean Sawmill. It wasn't opened yet, but we managed to wander around and had a break under the trees. Coming back, we had a short break to watch the motorcross racing once again. This must of given the members a "boost" of energy as we headed to the cars..... or was it the promise of ice cream at Whiskey Creek ?? Everyone enjoyed the hike and doing the 25.5 kms !!! :) on mostly flat ground. We got back to the cars at 3:50 pm , and with a fast change of footwear, everyone was down the road for ice cream !!!
