Trip Report

Mt.Colonel Foster- Southeast Summit- C-3 (mountaineering)

[return to Reports list](#)

Sat Jul 30 to Mon Aug 01, 2011

Leader: **Tom Carter**

Co-Leader:

There were 9 of us in total, 2 CDMC members and 7 ACCVI members. The first day in was soaking wet and completely miserable. After a 7-hour approach to Foster Lake, crawled into camp at 5 pm and didn't emerge from the tents until 7 am. The next morning. We headed for the summit around 9 am, were rewarded by weather that cleared up enough to give the 6 that summited some spectacular views here and there throughout our 13 hour summit day. Day 3 on our hike out was gorgeous, sunny and warm.

Awesome trip with great people thanks Tom!
