Trip Report

Half Dome (hiking) [return to Reports list](#)

Tue Jul 08, 2014

Leader: **William Wright**

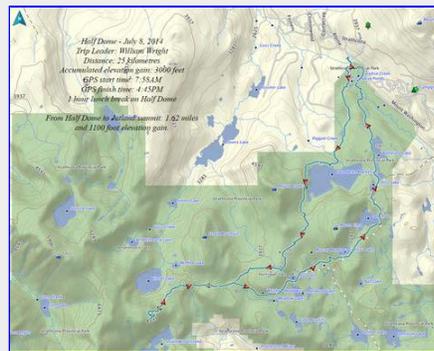

Co-Leader: **Tim Penney**

Brilliant weather added to the attained views from this full day on the mountain.

A couple of guests seemingly enjoyed the company, exercise and the Forbidden Plateau experience!

Tim not only came thru with some pics but provided all with some cold cider at the end of a warm day.

Thanks to all the participants for providing me with a worthwhile endeavour!
