## Trip Report

**West Courtenay Urban Ramble** (hiking) [return to Reports list](#)

Wed Jun 20, 2012

Leader: **Pam Munroe**

Co-Leader:

The weather cooperated and we had a lovely day for an urban ramble with seven walkers. We started at the train station on Cumberland Road in Courtenay and did a wide circle of various trails, roads, paths, and railroad tracks in the southwest area of Courtenay. The parks we passed through included Puntledge Park, Masters Greenway, Capes Park, Millard-Piercy Nature Park, Airpark, and Bill Moore Park. I really enjoy taking people on urban explorations and showing them the connections between many of our trails and green spaces in the Comox Valley.
