## Trip Report

**Surge Narrows, Quadra Island** (hiking) [return to Reports list](#)

Wed Jun 08, 2011

Leader: **Chris Carter**

Co-Leader:

Third time lucky ! 20 members enjoyed a fine sunny day for this trip to Surge Narrows. The trail turned out to be quite short, a comfortable one hour hike along a well marked trail, in the forest following the shore from the trail head to Surge Narrows. The trail is steep in places with an elevation difference of over 500 ft. It was not a "Big Tide" day but a strong current and counter currents were seen.
