Trip Report

Oyster River Trail (hiking) [return to Reports list](#)

Sun Mar 15, 2015

 Leader: **Denise Allard**

Co-Leader:

6.4 km, 33m cumulative elevation gain :) One never tires of walking along the Oyster River trail. The grey skies and chilly morning never dampened our spirits so off we went. Along the way, we admired the first spring flowers, zoomed in on the great heron and oystercatchers, scrambled over the chaotic beach, enjoyed a delicious lunch and much camaraderie. Thanks Krista for the beautiful photos.
