Trip Report

Trent River (hiking) [return to Reports list](#)

Wed Mar 23, 2011

 Leader: **Chris Carter**

Co-Leader:

11 Members enjoyed a walk along the upper ridge of the Trent River and a circuitous return through second growth and clear cuts. Our original plan to follow the power lines from Trent River to the Van West main was abandoned after Kate Pierce had a very wet experience on that route earlier in the week!
