Ne Woods And Lazo Beach To Goose Spit And Rtn. (hiking)

[return to Reports list](#)

Wed Mar 07, 2012

Leader: **Chris Carter**

Co-Leader:

A fine day for an interesting hike through the NE woods, urban Comox and the beach from Goose Spit to Point Holmes. The herring spawning season was in full swing. We saw fishboats, seagulls, eagles and several large and noisy rafts of SeaLions sleeping off a midnight feast of herring. We last part of the group at the beginning of the hike. Please turn up on time so the Group does not have to wait for late arrivals !

Hey...not fair to say we were 'late', when you asked me to meet people at Harmston! Our route was good though as we had some great close-up bird encounters at Lazo :)

Coming down the Goose Spit Stairs, Pat tries them with eyes shut !
