Members Night (event)

[return to Reports list](#)

Fri May 13, 2011

Leader: **William Wright**

Co-Leader:

Great evening both gathering with mutual members of our club and enjoying the generosity of Valhalla.

I'd hoped that we get a minimum of 10 members from the club to make this a worthwhile endeavour and at the very outside, 25 - I, as well as the store staff, were most pleasantly surprised when we had near 30 shoppers come through the front door, nigh on 20% of the club.

I would say a superb first kick at this type of outing and the store was also impressed with their return as many of our members dug deep.

Prior to, during and after this event, I received much positive input - hopefully we can be fortunate enough to enjoy more of these beneficial outings.
