It was a pleasure to have Harold Carlson from the Port Alberni Club with us for this walk. We also welcomed new members Gillian Quinlan and David Steininger who have joined recently. A dull morning gave way to sunshine at lunchtime taken at Baybrook. Sad to see this old home becoming more dilapidated. What a beautiful site for something to replace the house in the future ! I personally appreciated my good fortune when visitors appreciated the route and scenery of this hike which I routinely enjoy in daily walks from home.
