Royston Ramble (hiking)

[return to Reports list](#)

Thu May 28, 2015

Leader: **William Wright**

Co-Leader:

After meeting at a civilized hour to feed the troops in Royston we headed north out onto the E & N Line and circled through the Millard Forest to follow the Royston Seaside Trail south to the Trent River.

A leisurely amble with stops along the way to collect moments of amazing Spring blooms as well as brilliant seascapes under sunny skies.

We are truly blessed to have all this at our doorsteps and it's so nice to know that we do appreciate what we have by being out there to enjoy this pot of gold!

Fabulous Day to spend with a few mates from the club.
