## Event Report

**Ladakh Loop** (event) [return to Reports list](#)

Fri Nov 02, 2012

 Leader: **Glenn Ord**

Co-Leader:

Superb presentation by Glenn & Sheila of a couple of trips that the couple have made to the Ladakh region of Northern India - this high altitude region, in the rain shadow of the Himalayan Mountains, offers up spectacular relief and Glenn managed to capture the stunning essence of this area.

The show kicked off with a waltz down memory lane, depicting the Ord's first visit to this area, some 30 odd years ago - at the very least, a most interesting way to spend your honeymoon! The movie has been posted on YouTube: [Honeymoon in Zanskar](#)

I was surprised to see that the passage of time has been most kind to Glenn & Sheila - perhaps the mountain air or glacial waters?

A fabulous array of treks followed, culminating in a serial movie (which Glenn plumbed together nicely) that had the audience hanging on every sequence - took me back to my youth when every Saturday, at the local theatre, you waited (with high anticipation) for the continuing serial saga. Another packed house enjoyed the continuing Friday adventures at Creekside - thanks to all those who attended for supporting a marvellous evening.
