Don Apps Memorial (event) [return to Reports list](#)

Sun Nov 20, 2011

Leader: **William Wright**

Co-Leader:

A well attended memorial for Don was held today at the Courtenay Native Sons Hall and many CDMC members were there to pay their respects.

A great service with many wonderful messages including memories of Don's adventures in the backcountry.

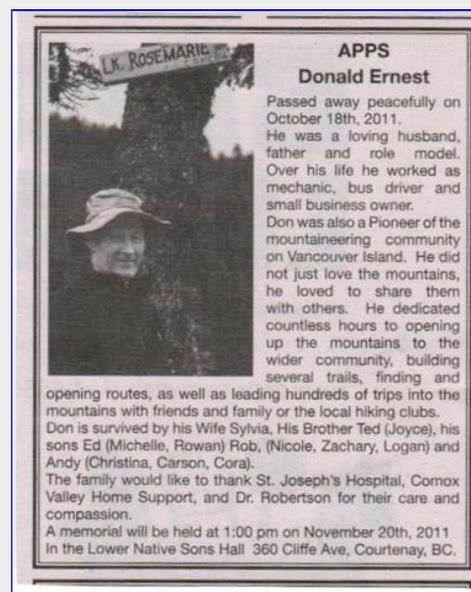

Afterwards, the gathering spent a couple of hours visiting with each other and sharing both some fabulous food along with a collage of Don's trips and a collection of his gear.

A Book of Remembrance was signed by attending guests and Ruth played the Last Post for Don on her harmonica.

The afternoon was a fitting tribute to Don, well knowing that the measure of this man can not be replaced.

CDMC offers their condolences to the family and thanks them for a superb afternoon - Don will be much missed by the club.

If any pics were taken, this afternoon or previously (of Don), please do add them to this report.
