Leader: **Joe Lumsdon**Co-Leader: **Tim Penney**

We drove up to Raven lodge to start snowshoeing at 9:15 am after introductions for the benefit of our wonderful guest. After warning of the recent trail conditions, off we mushed. We did the loop Helen MacKenzie, Battleship and back. Thankfully the path was well trodden in the last few days. No trail breaking, only a few falls due to the snow conditions or trail giving out. Snow Bombs were the worst condition as the warmth loosened the snow in the trees. It was a beautiful day. We stopped for a break at H. Mack and lunched at Battleship at 11:30 and back to the vehicles by 1pm. Nine pleased snowshoers out on the club's first snowshoe trip of the season. The pics should be superb.

Oh, I forgot to mention we had a visit at Battleship lunch stop from a snow angel that flew away after being refueled!
