Trip Report

Seal Bay Park Nature Hike (hiking) [return to Reports list](#)

Sun Nov 29, 2015

Leader: **Krista Kaptein**

Co-Leader: **Michele Hind**

The day remained sunless but was calm & dry, so a good day for a hike! The woods were full of Golden-crowned Kinglets and some juncos & chickadees. We stopped at Melda's Marsh for a snack, the old car wreck for a photo op, then to the beach for lunch. Quite a variety of waterbirds out on the calm ocean. The ravine was totally dry - no waterfall! A few horse riders, dog walkers & baby hikers were encountered along the way. Total about 11 km over 3.5 hrs.
