**Comox Sea To Creek** (hiking) [return to Reports list](#)

Sun Sep 02, 2012

Leader: **Pam Munroe**

Co-Leader:

---

Nine people set off from the Comox Mall on a beautiful sunny day to explore and make it up as we went along. Our three hour ramble took us through Mack Laing Park, part of MacDonald Wood Park, up the Goose Spit stairs, down to the beach off Curtis Road. After a short water/snack stop we set off on a trail to an old mill site, out to Lazo Road and down to Lazo Marsh, and into the wooded portion of the Marsh and the edges of the North East Woods. Coming out behind Cape Lazo school, Phil suggested we have a lunch stop at his home which three of us chose to do. The lucky ones got corn and zucchini from Phil's prolific garden.
