Wood Mt Traverse Ash Pond Loop Work Party (other) [return to Reports list](#)

Fri Sep 09 to Sun Sep 11, 2016

Leader: **Juanita Wells**

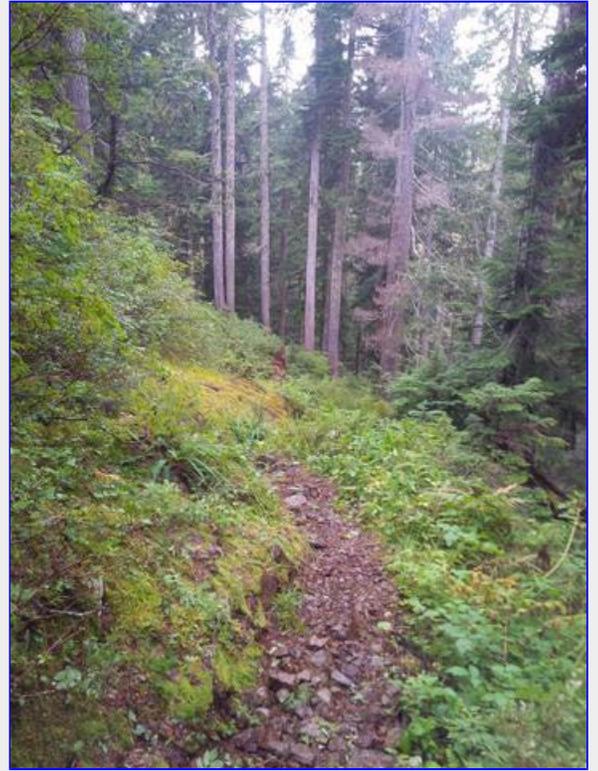

Co-Leader: **Ken Rodonets**

On Friday evening three members drove to the back side of Mt Becher and set up camp for the weekend. Saturday morning had the members up early to transport trail equipment to the Slingshot meadows/Wood Mt traverse trail junction to meet up with four other club members who had also been up early to hike in from Douglas and McKenzie lake to help out for the day. At 9:30 am three members headed up the Ash Pond trail to work towards the Mt Becher trail. The other four club members headed towards the Mt Becher trail on the Wood Mt traverse trail to continue trail clearing from the end point of the previous work party earlier this year. Both groups put in a long day and impressively cleared approximately 4 km of trail! On Sunday the three remaining members went back to the Wood Mt traverse trail clearing approximately another kilometer of trail towards Douglas and McKenzie Lakes. A HUGE thankyou to Joe for transporting a truck load of participants in for the day on Saturday and also to everyone for all your hard work.
