Mediterranean Manoeuvre (event) [return to Reports list](#)

Fri Sep 21, 2012

Leader: **William Wright**

Co-Leader:

Another well-attended event as many enjoyed our evening's travelogue on the Mediterranean Region.

Linda presented an exquisite pictorial display of Southern Turkey from both the Lycian Way and whilst kayaking along the coast of this area.

Rod & Marie then gave us an incredibly interesting presentation of a ridge wander along the Italian Peninsula's Spine followed by a descent from the Apennines into the coastal towns of the Mediterranean.

The shows were much enjoyed as were the array of swell snacks contributed by those attending, for our intermission.

Thank you to the presenters and to the hospitality afforded us by Creekside, not to mention the efforts of our traffic control officer - another fine evening event.
