## Event Report

### Royal Lepage Snow To Surf Adventure Relay Race (event)

[return to Reports list](#)

Sun Apr 27, 2014

Leader: **William Wright**

Co-Leader:

Another fine Spring day was offered up for the annual Snow 2 Surf Adventure Classic and again, the Mutineers had a swell day!

We were a few minutes slower this year but some of this time can be chalked up to an extra leg having been added to the race. The upside is that we moved from 160th place, last year, to a more respectable 118th place finish on the weekend.

Although we were shy of the podium in a much more competitive division, this year, we seemed (for the most part) happy with our performance!

A great effort by the team and thank you to our support personnel along with other club supporters who showed up, along the route, to cheer us on. Special thanks to Tim for his tireless work in supporting the Mutineers by capturing our moments through the transitions.

Following the ringing of the bell, to complete the race, the team gathered at the beverage garden and awards ceremony to debrief. We then closed the day off with a feast for 16 at a local eatery.

Great Day - Much Enjoyed with My Mates!
