**'Wild One' Nature Hike** (hiking) [return to Reports list](#)

Sun Dec 04, 2016

Leader: **Krista Kaptein**

Co-Leader: **Otto Winnig**

A frosty start but the day remained sunny. We left one car at the Burns Road crossing of the One Spot Trail, then drove to Wildwood Road to hike north through the forest, along the Bob Webb Trail connecting to the One Spot Trail , then northward all the way to the Tsolum River for lunch. We covered 14.5 km in 4 hrs 20 min. and saved a 3km road walk at the end by shuttling vehicles. Nature highlights included 'hair ice' [https://en.m.wikipedia.org/wiki/Hair\\_ice](https://en.m.wikipedia.org/wiki/Hair_ice) and 8 Killdeer at the Outback Nursery.
