Trip Report

Wood Mt (snowshoeing) [return to Reports list](#)

Fri Feb 08, 2013

Leader: **William Wright**

Co-Leader: **Tim Penney**

Nice half day romp in the hills that lasted about 4 hours - a wee bit of exercise to keep the moss from collecting.

Great to meet one of our newer members - Jane was recruited via one of Tim's excellent slide shows, which we all know can be quite captivating!

Jane did well to keep up with us mountain men even though a bit apprehensive at first - I reassured her that I had trouble keeping up with Tim and that he was really just an old man.

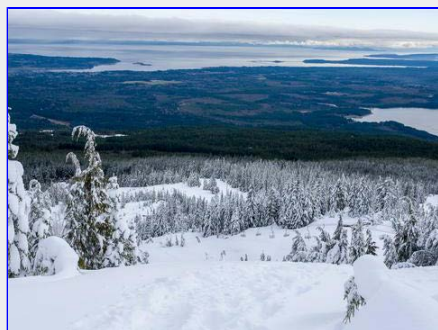

A short but fun day that covered near 5 K's with an elevation gain of close to 400 M's.
