### Snowshoe Outing (snowshoeing)

[return to Reports list](#)

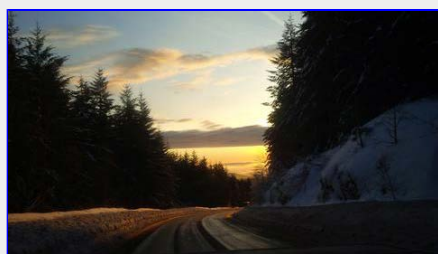

Sat Jan 14, 2017

Leader: **Juanita Wells**

Co-Leader: **Ken Rodonets**

Just after 9am ten enthusiastic souls headed out from the windy cool parking lot on Mt Washington down across Paradise meadows towards Pigott Creek. Traveling at a moderate pace with mini stops for pictures and warm fluids the group reached Lake Helen McKenzie in good time and enjoyed the warm sunshine while discussing the next destination. After a short break, straight across the lake through a very cool wind we went to the far side and up, up, up to the balmy air at the Rangers Cabin.

With the sun teasing us through the high scattered clouds and the gray jays bombing us for their share of lunch, a half hour lunch break was taken at the cabin. Leaving at 12:30 we headed back down to Lake Helen McKenzie across to the campsites and then over to Lake Battleship. At the end of a 16km journey we arrived back at the vehicles at 3pm. A most excellent day in great company, thank you everyone for an awesome trip!!
