## Trip Report

**Century Sam Trail Work Party (hiking)**
[return to Reports list](#)

Sun Jul 27, 2014

 Leader: **Geoff Brameld**

Co-Leader:

We had an excellent turnout for the work party today with 12 avid workers meeting at the court house. This really made the work load easier and quicker to accomplish. One group of 8 headed up to the second slide area which was completed by noon while Ken with the brush cutter and three others clipping completed the first slide section. An abundance of super sweet salmon berries quenched our thirst along the route. We finished up at 2:30 back at the vehicles. Last year with only a few volunteers the same task finished up at 6:00. Thanks to all who came out to help. We all look forward now to an easier hike in to Century Sam Lake next Sunday.
