Shellalligan Pass, Quadra Island (hiking)

Wed Jul 06, 2016

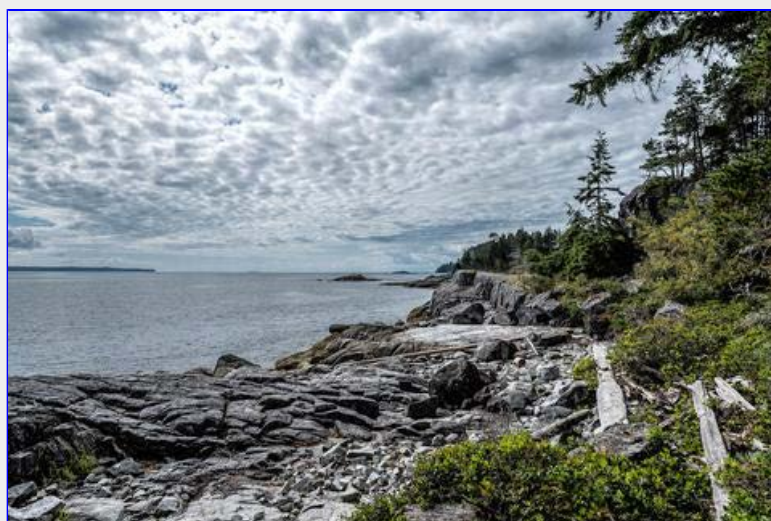

Leader: **Chris Carter**

Co-Leader: **Tim Penney**

Our moderate 10 K ramble ended up as a 15 K adventure ! 14 hikers started off enjoying the great views from the cliffs above Shellaligan Pass. We could see the Breton Islands, Read Island and Cortez. After a pleasant lunch stop on the beach facing Village Bay we climbed up from the coast through good looking second growth forest. We obeyed the trail sign as we emerged from the forest and followed a logging road which we thought led back to the cars. Somehow we missed another turning and ended up on Village Bay Road with a 5 K walk back to the cars. In retrospect a more detailed map and having the walkie talkie radios would have been a help. Eventually all was well, the cars found and we had time for the traditional ice cream stop at Hyacinth Bay Road in Heriot Bay.
