Trip Report

Tsolum River (hiking) [return to Reports list](#)

Wed Jul 07, 2010

Leader: **Bucky Buchanan**

Co-Leader:

Nine intrepid hikers disregarded the heat and enjoyed an easy walk along the banks of the Tsolum River and a leisurely lunch on a shady gravel bar where Chris Carter and William Wright entertained us with tales of their Army daze. Everyone went wading in the frigid waters of the Tsolum although only Bucky Buchanan and Pat Fyfe were brave or hot enough to go swimming.
