Trip Report

Rosewall Creek (hiking)
[return to Reports list](#)

Sun May 15, 2011

 Leader: **Sandra Crawford**

Co-Leader:

We had a great hike yesterday to Rosewall Creek. There were 6 of us that did the hike which included a bit of trail maintenance along the way. I would like to thank those members that showed up to help with the pruning. The weather held out for us with only a bit of rain on the return trip. The falls were fabulous as always. There were a few other people out enjoying the trail yesterday as well as some that were trying their luck at fishing. All in all, a good day.
