Pre-Summer Mingle With A Website Demo (event)

[return to Reports list](#)

Tue May 29, 2012

Leader: **Bob St.John**

Co-Leader:

We had a good turnout for this evening's gathering at the Monte Christo Restaurant. Lots of good conversation rudely interrupted by my long-winded demo. I found out I badly need bi-focals, which made the presentation even more tedious. Andy and Susan managed to get out early after breaking a lock on the door. I made everyone else stay to the bitter end.

Sorry to all members for getting their hopes up after receiving false trip notifications. However you could go on Geoff's trip this Sunday as consolation.
