Trip Report

One Spot Trail (hiking)
[return to Reports list](#)

Wed May 04, 2011

 Leader: **Krista Kaptein**

Co-Leader:

Eleven hikers enjoyed nice weather & good company, as well as encounters with flora & fauna along the trail - such as trilliums, bleeding heart, hummingbirds, warblers, winter wrens, cattle & horses, and a possible mink.

Extra historical info contributed by Otto & Diana was appreciated.

Thanks to all for helping out!

A lovely day exploring second growth forest and productive farmland
