Wilderness First Aid Level 1 (event)

[return to Reports list](#)

Sat May 07 to Sun May 08, 2016

Leader: **Ken Rodonets**

Co-Leader:

It was a great weekend to do some outdoor 1st. Aid Training. With Ridge Wilderness Adventures Ltd., teaching the Level 1 over the Sat. and Sunday at Comox Lake. We have now 7 more members with their Level 1 and 2 more members that came out Sunday as a refresher. We had lots of scenios to do the 1st. aid on, along with some group "play acting". Everyone has a great little, waterproof 1st. aid book to put in their packs in case of a real accident out there. Everyone learned a lot over the two days.

On Sat. out at the lake it was a busy day out there.... We had the SAR Techs doing their training in the water, the Fly Fishing club doing their thing in the lake, we had a scuba class doing their thing in the water, along with the public on the beach and even some swimming.
