**Summer Into Winter** (event)

[return to Reports list](#)

Wed Oct 19, 2011

Leader: **William Wright**

Co-Leader:

An easy stroll down a steely grey Goose Spit was a pleasant end to our Wednesday summer treks.

There was a nice turn-out of 8 members who not only enjoyed the relaxing beach walk but, as well, a fun evening in the Black Fin pub.

Thanks to those able to make this wrap-up a success, even without a glimpse of the promised sunset although, I could swear that we momentarily saw sunshine peeking through for a few brief nano-seconds.
