Event Report

C D M C Annual Potluck Dinner (event) [return to Reports list](#)

Sat Oct 27, 2012

Leader: **William Wright**

Co-Leader:

Another superb and well-attended Potluck - thanks to everyone for making this event a real success.

The fabulous array of potluck dishes was amazing - there was an endless selection of great food!

We had several door prizes won by attending members and a thank you to Valhalla for their generosity in contributing them.

Our eldest member, Ruth, attended and even found a way to scoop a door prize!

All of our trip leaders were feted for their service to the club, with new certificate awards that bore seals indicating the number of trips that each had led along with the number of participants on these trips.

Tim produced another fine slide show displaying a beautiful summary of our year in the backcountry - also, our photo contest winners were announced as well as all the contest pictures were shown.

An honourable mention to Carol for producing a very funny & entertaining "Rocky" video of a member veering off course to run up a hill just because it was there.

Everyone must've had a great time because no one noticed that we had a spectacular earthquake on the West Coast, during our event - 7.7 magnitude, which is massive and one of the largest ever to hit Canada's Pacific Region.

Again, a large thank you to all those who helped with this event and continue to support our club with your presence - a wonderful evening which I much enjoyed.

Lots of fantastic dishes!
