# Trip Report

**Mount Washington Mine Site** (hiking) [return to Reports list](#)

Sun Sep 09, 2012

Leader: **Bucky Buchanan**

Co-Leader:

An enjoyable hike although no marmots were seen - some blueberries though were eaten, and we had some nice views of Desolation Sound and heard all about Harold's adventure!

10.5 km and 350m elevation gain according to my fancy GPS. -Krista
