## Trip Report

### Ripple Rock Trail (hiking)

[return to Reports list](#)

Sun Apr 19, 2015

Leader: **Denise Allard**

Co-Leader: **Juanita Wells**

Of the 15 members who had signed up, 11 participated in this very enjoyable hike. Although the beginning of the trail has become a wide gravel road and a metal bridge replaces the old swinging one, it remains the good'ole RR trail.

We enjoyed beautiful weather, lots of talking and laughter - but only a few spring flowers remained.

After pausing for lunch and to enjoy the view, we headed back just in time to miss the crowd - a perfect Sunday activity!
