Trip Report

Allen Lake Circle (hiking)
[return to Reports list](#)

Wed Aug 03, 2011

 Leader: **Bucky Buchanan**

Co-Leader:

Five members and one guest enjoyed ideal conditions for hiking the trails of the Cumberland Forest. The salmonberries, blackberries, and occasional saskatoon and raspberries were in plentiful supply so the walk took much longer than anticipated. The waters of Allen Lake were a little cooler than expected on only the intrepid leader went for a brief but refreshing swim
