## Trip Report

**Three Beaches (Oyster River/Saratoga Area) (hiking)**
[return to Reports list](#)

Wed Feb 05, 2014

 Leader: **Glenn Ord**

 Co-Leader: **Sheila Ord**

This was a non-technical walk; no GPS and just one camera on the walk. No recorded distance or elevation gains; it was just a beautiful afternoon stroll by the sea.

A half dozen of us braved the coastal cold (about zero C) and first walked the pub to pub route, from Oyster River to Salmon Point. We circled the pub and returned back to the car park.

A few of us made the quick drive across the river and enjoyed wandering the low tide flats at Saratoga Beach. The group size dropped off again, but we persevered and drove over to Miracle Beach and wandered a beautiful low tide, completing a hat-trick of 3 beaches.
