Trip Report

Filberg Lodge To Ne Woods And Return (hiking)

[return to Reports list](#)

Wed Jul 10, 2013

Leader: **Pam Munroe**

Co-Leader:

A gorgeous sunny day for a Comox area ramble which started in the parking lot of the Comox Mall. Our crew of 8 women and 3 men headed off through the Filberg Lodge grounds down to the water's edge and over to the refurbished Croteau Road trail which comes out onto the new trails on the road to Goose Spit. We all successfully made it up the stairs from the spit with a brief stop to enjoy the views of the glacier, hillsides, sea and the spit.

From there we followed a series of trails, both official and unofficial, that took us through the Lazo Forest, the Lazo March, and the NorthEast woods and coming back out through the parking lot near the Comox works yard.

We meandered our way back to the Comox Mall via Brooklyn Creek and Mac Laing Park. Total distance was 14 km. A refreshing stop at Benino Gelato and then home.
