Trip Report

Shellalligan Pass, Quadra Island (hiking) [return to Reports list](#)

Wed Jun 10, 2015

Leader: **Chris Carter**

Co-Leader: **Don Kulak**

A great hike in near perfect weather. A stiff breeze over the water kept us cool. Views of the Coast Mountains were clear and we tried to identify some of the peaks. We lunched at the old oyster farm site. This has still not be cleaned up ! Our return walk through the tree farm forests was a pleasure and it was great to notice that forestry does not have to be achieved with huge clear cuts. We rounded out a great trip with Ice creams at Terry's Takeout in Heriot Bay. For more historical information read Jeanette Taylors's history , "The Quadra Story".

Don, you did not push the right button ! No picture with Chris included.
