**Alone Mt (hiking)** [return to Reports list](#)

Sun Jun 05, 2016

Leader: **Juanita Wells**

Co-Leader: **Ken Rodonets**

After meeting up and doing all the necessary paperwork, four vehicles headed out along Comox Lake to the Alone Mt parking. At 9:15 twelve participants started up the well marked trail. Approx half an hour later views of the Comox Glacier could be seen. Continuing on the group was rewarded with more views and a SAR tech practice show with parachutists coming down along the Cruikshank river below us. After climbing up approx 650m for about 3hrs the group arrived at the summit for a well deserved rest and lunch break while enjoying more views to the north and west. At 1:15 everyone headed back down the very dry and hot trail. By 4:15 everyone was back at their hot vehicles and heading for a cooler location.
