# Trip Report

**Mystery Mountain** (snowshoeing) [return to Reports list](#)

Thu May 01, 2014

Leader: **William Wright**

Co-Leader: **Tim Penney**

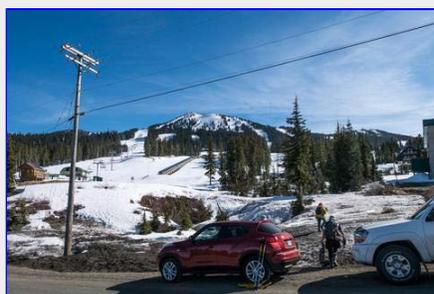

A nice day at altitude under sweltering skies which was perfect for climbing a hill!

A wee group of 4 enjoyed the blue skies, slight breeze along with forever views and these few hours on mountain time always put a whole new spin on the day!

Thanks for the gals company and as always, Tim's photographic enthusiasm.

I once more much enjoyed my elevated walkabout and life doesn't get much better than this!
