Wildwood Forest And One Spot Trail (hiking)

[return to Reports list](#)

Thu May 12, 2016

 Leader: **Juanita Wells**

 Co-Leader: **Mary Weiler**

On a beautiful cool but sunny Thursday morning 8 participants met up and then car pooled to the starting point at Greaves Rd. After a brisk warmup walk back down a very busy and noisy Piercy rd, the group headed along the One Spot Trail crossing Burns Rd herding a bear along the way. We then continued across Pinder Rd to finally join onto the Bob Webb trail leading to the Wildwood Forest. After crossing Burns Rd again the group continued on the Burns Rd connector trail to our lunch stop at the Winnig Valley bench. After lunch the Wildwood rail grade was taken to the pipeline trail which lead back to the vehicles at Greaves Rd.
