Trip Report

Tree Island (hiking) [return to Reports list](#)

Wed May 06, 2015

 Leader: **Chris Carter**

 Co-Leader: **William Wright**

Very heavy traffic on the Denman Island ferry resulted in our group splitting into two parties for the hike over to Tree Island. Happily we all met up for lunch at TI. Plenty of wild flowers to be seen (larkspur) and a beautiful sunny spring day. We met another group of well organized hikers who were enjoying oysters and wine and other gourmet delights for lunch. We hiked back to Gladstone Rd. more or less together. A great day.
